### Cover Upgrades

#### ➔ Photographic Cameo Cover

Photos are mounted into a beveled recess on your album cover. Available in photographic or Giclée print, to match the media of the album.

Available with all included cover materials.

#### ➔ Photo-Wrap Cover

Similar to those on press books, photo-wrap covers are a photographic panorama image laminated with a luster finish.

Choose this option in place of your standard cover material. Not compatible with cameos, imprinting, acrylic or aluminum options.

#### ➔ Acrylic Cover

Acrylic covers feature a photographic image mounted to thick, clear acrylic material that takes the place of your cover material on the front of the book.

Choose from any leather or suede material for the spine and back of your album. *Not available with silks or linens. Studio Imprinting only.*

#### ➔ Aluminum Cover

Aluminum covers feature a dye-sublimated image on durable aluminum with your choice of finish.

#### Finishes:

- High Gloss and Satin show pure whites and brilliant colors.
- Sheer Glossy and Sheer Matte show the beauty of the metal through your image.

Choose from any leather or suede material for the spine and back of your album. Not available with silks or linens. Studio Imprinting only.
